New Quad Chair at Guthega

Guthega t-bar queues may no longer be a problem with the installation of a new quad chair over the summer. It will provide much better access to great existing terrain and even some new runs with the removal of the existing j-bar. To see the location of the new lift, click on the Guthega map here: <http://www.perisher.com.au/resort-information/trail-resort-maps/trail-map-static.html>
