FROM THE CHAIRMAN

Securing a place at Karralika when you want it and often at short notice is becoming easier. As good as this may sound, maintaining the economic viability of Karralika is in the best interests of all members and the board is considering options to ensure a secure future.

The board would like input from members on these and a range of other initiatives via an online survey early in the New Year. Please look out for this - your input is important.

For those members who no longer utilise the lodge, or who do so rarely, we would again encourage you to consider passing your memberships to family members who would be able to make regular use of our facilities. Increasing utilisation is an important step in our future and the benefits are obvious if we can do this within the current member base.

Merry Christmas to you all – see you in 2016.

Jeremy Crisp
